Training & Assessment

Delivery dates and sequencing may be adjusted based on the needs of the student cohort needs, trainer availability, and operational requirements. All training delivery remains aligned with the approved Training and Assessment Strategy (TAS) and required volume of learning.

Learner Support & Scheduling

Weekly academic support and consultation sessions are available throughout each study period. Students may access Language Literacy and Numeracy LLN support, academic assistance, and wellbeing support during these scheduled support windows.

Trainers provide ongoing consultation throughout each term. Formal academic intervention reviews occur at mid-term and end-of-term progress checkpoints.

Work Placement & Practical Components

Structured work placement is scheduled during designated periods within the study term, in accordance with course requirements and relevant training package specifications.

Public Holidays

Where public holidays affect scheduled classes, replacement delivery sessions will be arranged to ensure that the required training hours are maintained.

Student Progress

Student progress is formally reviewed at scheduled checkpoints during each study period, including mid-term and end-of-term reviews.

Records Management

Training delivery, attendance, assessment, and student support activities are recorded and maintained in accordance with the organisation's records management procedures.

Governance & Quality Assurance

This academic calendar aligns with CRICOS requirements for study periods, contact hours, and student support Pro visions Full provider contact details are available on the organisation's official website.
